## The degree of education that's right for you

At Herzing University, we know that your educational goals are unique and can change over time. That's why we offer five levels of education.

### MASTER'S DEGREES

A master's degree communicates to employers, colleagues and clients that you earned a high level of credibility and expertise in your field. This credential is valuable when looking to advance in your current industry or when transitioning into a different sector.

### BACHELOR'S DEGREES

A bachelor's degree is a milestone credential that can significantly improve your opportunities for employment and career growth.

### ASSOCIATE DEGREES

This degree is designed to provide students with comprehensive technical skills and a general studies education.

### DIPLOMA PROGRAMS

These specialized programs provide students with marketable skills that can help prepare them for a new career quickly.

## Student Support

We're committed to providing every student the services that will enrich your educational experience and enhance your ability to achieve your career goals.

### CAREER DEVELOPMENT

Herzing's dedicated Career Development staff can assist you in finding employment in your field of study.

### FINANCIAL AID

We work with you to create an individualized financial plan for funding your education. This may include state and federal financial aid packages, family contributions, employer reimbursement and any other aid for which you may be eligible.

### HERZING SCHOLARSHIPS

Herzing University offers an array of scholarships, awards and grants that reward academic performance and recognize need.

### STUDENT ADVISORS

Every student is assigned a student advisor who is your source of information and guidance on University policies and procedures, as well as a sounding board for any concerns.

#### Additional student services may include:

Housing Assistance, Community Services and Student Government Association.

Herzing University  
is a great school

for working professionals or nontraditional students. The classroom sizes are small with flexible hours and great staff.”

- Lucretia T. Doyle  
Business Administration

“I was impressed by what Herzing had to offer their students, the professionalism and compassion that the administrators displayed, as well as the family-oriented atmosphere.”

- Nadja Strand  
Nursing

“I tell anyone considering Herzing for their education that the university will change your life. Not only will you learn the hard skills that you need to succeed in your career, you'll also develop the soft skills that will help you in job interviews and in the corporate world. I feel 100% connected to the university. Without my education, I wouldn't be where I'm at today.”

- Michael Knight  
Technology Management

## Our History

HERZING UNIVERSITY was founded by Henry and Suzanne Herzing in 1965 and has since grown to include campuses in seven U.S. states, and an online division. Career-focused educational programs are designed to give students real-world skills and knowledge to help prepare them for employment in their field of study upon graduation.

## A Message from Our President

Career-focused education has always been the foundation of Herzing University. Our students' success in their chosen career is the priority of our faculty and staff. To this end, Herzing University strives to develop programs that will not only educate our students but also equip them with the tools necessary to thrive in the very competitive, ever-changing job market.

### REAL-WORLD SKILLS

While we know how important it is to give our students a quality general education, we also realize the importance of industry-specific skills. Each campus works closely with local and regional employers to ensure that Herzing degree, diploma and certificate programs encompass the skills and knowledge needed for our students to succeed at the next level.

### CONVENIENT SCHEDULING

Our students are our top priority, and every decision we make stems from that commitment. Herzing's physical campuses and online division offer classes and programs designed for any student who is struggling to juggle the demands of a job, family and other activities. We offer on-campus and online classes to allow you the flexibility to reach your higher education goals.

### OUR COMMITMENT OF SUPPORT

I have great respect for our students who are often balancing work and family commitments with their studies. At Herzing, we are committed to assisting you in improving your life through education—an education that enhances careers, and in turn benefits our local employers, communities and entire country.

## Our Accreditation

Herzing University is accredited by the Higher Learning Commission. The Higher Learning Commission can be contacted at [www.hlcommission.org](http://www.hlcommission.org) or (800) 621-7440.
